

FIREDOOR

Firedoor is not about over-embellished or fussy food. Rather, we champion the very best in seasonal ingredients and small-scale producers, accentuated with wood-fire, eschewing modern-day cooking methods.

From contemporary cocktails that highlight the smoky allure of the wood-fired oven to an extensive array of wines and spirits that correspond with the robust notes of our cuisine, our drinks list compliments the special relationship between fire and flavour.

The weight of the wines progresses throughout the list to mirror the menu, listed in ascending order of palate weight, from light to rich. A thread of smoky, mineral freshness melds the wines with what is on the plate. Be the wine minimally tampered with or conventionally handled, poise and tension bind colours, regions, and styles, in a celebration of joyful drinking.
